

Fleet Way House, Birmingham

Architect: STURGIS Associates

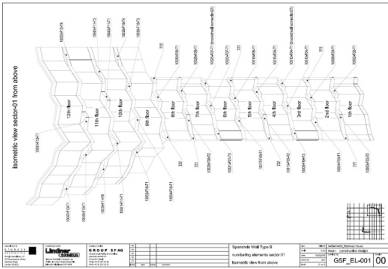

Scope:

- Curtain wall spandrels

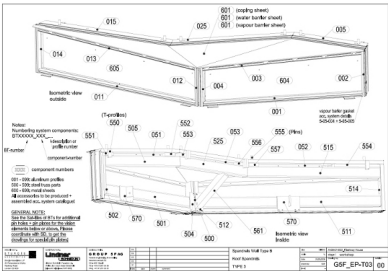

Group 5F Task:

- 3D curtain wall element definition of difficult geometric CW-units
- 3D workshop for CNC production output
- 3D clash detection/analysis for system design and profile die-matrix production

Spandrel numbering and definition

Typical spandrel element for production assembly

Typical 3D model of a spandrel curtain wall unit
